

Thornes Marketplace COVID-19 information:

Safety and Cleaning Measures:

- Masks are required for everyone who enters the building. Masks and hand sanitizer are provided at each entrance.
 - Sanitizer stations are set up throughout the building.
 - Common areas are being sanitized regularly throughout the day
 - iWave ionizing air filters have been installed in all air conditioning units in the building.
 - HEPA air purifiers are installed in the passenger elevator. There is a 2-person limit in the elevator.
 - The building closes to the public Sunday-Wednesday at 5pm and 6pm Thursday-Saturday for thorough sanitizing and cleaning. Additionally, foggers are used each night to extensively sanitize the building.
 - All public seating has been removed.
 - Social distancing is encouraged with signage everywhere including directional floor markers for better traffic flow.
 - Signage throughout the building reminds shoppers, retailers and employees of all safety precautions.
 - Employees with fever or cold and/or flu-like symptoms such as cough, sore throat, runny nose or body aches are required to stay home.
 - Thornes is following capacity counts in accordance with state and city guidelines.
-
